Christmas Post Box

If your child would like to write Christmas cards for children and staff, the post box will be in the school library from Monday 3rd December onwards. Please make sure that name and

class are written on the envelope clearly for easy sorting.

Christmas Jumper day & Reindeer run

On Friday 14th December children can wear their Christmas jumpers to school. In the morning the school is organising a reindeer run in support of Chestnut Treehouse. More information to follow next week.

Christmas lunch

The Christmas lunch will be served on Friday 14th December.

Travelling Book Fair

Just a reminder that the book fair will be held every day after school between 10th & 14th December.

Clubs

Please note, clubs are finishing on Friday 7th December and there will be **NO CLUBS FROM MONDAY 10TH DECEMBER ONWARDS.**

Letters about the Spring Term Clubs will be given out after Christmas.

Children in Need

Once again, the school has raised an incredible amount for this worthy cause. With your help, we donated £217.06 to this amazing charity. Thank you.

Year 3 Moulsecomb Primary School visit

“On Friday 23rd of November 2018, year 3 went on a school trip to Moulsecomb Primary School to learn more about the Stone Age. We learnt about the Ice man and how to make fire. We made wooden paint brushes and we made adornment jewellery. We came home muddy as we were palaeontologists like Mary Anning. Everyone really enjoyed this trip.” From Courtney & Joshua

Virgin Future flyers and Expert engineers

The Year 4, 5 & 6 children had a visit from cadet pilots, on Thursday 29th November, who are organising an open morning with fun activities for children aged 9 – 16 years old on Saturday 9th February.

Please read below a short introduction:

Who we are

We are a group of cadet pilots organising the Future Flyers and Expert Engineers event to be held on 9th February 2019 to allow you an insight into a career in aviation.

What we want to do

Part of Virgin Atlantic’s vision is to allow young adults from all walks of life the opportunity to discover a potential career within aviation.

We are going to plan, organise and deliver a morning and afternoon session of fun activities and talks.

Leading aviation companies and training organisations will be on hand to help you discover more about the opportunities available to become a “Future Flyer” or “Expert Engineer”.

Feedback from Ruksha in Year 6:

“It was a very interesting assembly for me. I thought at the end of the assembly they really persuaded me to go to the open day event on 9th February. It got me thinking if I would like

to work at Virgin Atlantic or any other aviation company in an engineering job.”
