

Literacy

In Literacy we will be exploring different sea creatures and making an information booklet about them. We will also be creating our own stories linked to the theme of 'Under the Sea'. We will also be getting the children ready for Phonics by revisiting sounds daily.

Science

In Science, we will be exploring a variety of common animals such as fish, amphibians, reptiles, birds and mammals. We will also be looking at the animals' diet. The children will also be exploring the different seasons throughout the year.

D.T

In D.T, we will be learning how to make waterproof clothing. We will be planning, designing and creating our own materials that we feel will be suitable to use in the water without getting wet.

Art

We will be creating seascapes using different tools such as pastels, wax and ink wash. The children will develop a range of techniques in using colour, pattern, texture, line and shape. The children will be exploring their imagination to create their own seascape.

R.E

In R.E, we will be looking at special objects and special stories that are important to people in various religions - Christianity, Islam and Hinduism.

P.S.H.E

In P.S.H.E, we will be exploring the importance of relationships and then exploring changes, we will also be looking at healthy eating and why it is important.

Maths

We will be looking at measurement with weight and capacity, multiplication and division, time, and position and direction.

P.E

In P.E, the children will be learning new skills in throwing and catching. The children will learn how to play athletics and tennis. They will also explore various dances by learning the different techniques.

ICT

We will be exploring how technology is used in our lives. We will be looking at ways in which technology is used in the classroom and in the home.

Geography

In Geography, we will be exploring the world's seven continents and the five oceans. We will be using world maps to identify where the United Kingdom is and the countries inside the United Kingdom.

Music

In Music, we will be exploring various instruments and exploring the sounds they make. We will also be creating some rhymes and songs.
