

Spring Term - Reception – Learning Map

Here are some of the skills and themes we will be learning in reception this term.

Personal, Social and Emotional Development

We will build our confidence through opportunities to speak to, and in front of, different groups.

Working with a range of children across our year group will support us to further develop friendships.

Communication and Language

We will continue to learn a variety of songs to broaden our language and develop our rhyming skills.

We will listen to, learn about and read different stories to retell using props, puppets and pictures.

Physical Development

We will develop our core strength on our new climbing equipment and through PE sessions with a qualified coach.

We will develop our understanding of how to look after ourselves and others.

Expressive Arts and Design

When exploring the natural environment, we will make objects, sculptures and patterns from what we find.

We will have opportunities to dress up and explore storytelling through drama and roleplay.

Literacy

Through daily phonics sessions we will learn to say and recognise different digraphs including ch, sh and th (two letters, one sound).

We will continue to develop our writing skills and begin to write longer words and sentences.

Mathematics

We will continue to look at numbers and develop our understanding of numbers to 15, including number bonds within 10.

We will develop our understanding of measure and use of specific mathematical language.

Understanding the World

We will cook and try different dishes from around the world.

We will continue to develop our understanding of different celebrations including Chinese New Year and the Easter story.
