

**PSHCE & Relationship Sex Education Community Consultation SURVEY**

*Please be aware that Relationship Education is compulsory for all Primary Pupils from September 2020. As part of Science, PSHCE and Relationship Education a progressive curriculum has been designed to share with children the knowledge they require regarding their bodies, changes during growing up, keeping themselves safe, living in a society based on equality and sex education.*

Are you aware of the current Waterfield PSHCE Policy YES/NO

Are you aware of the current Waterfield RSE Policy Yes/NO

Has your child ever talked to you about something they learnt at school to do with growing up, sex and relationships?

Yes / No / Not sure

Has your child ever asked you questions about growing up, sex and relationships?

Yes / No / Not sure

Would you like more information about what the school teaches on sex and relationships?

Yes / No / Maybe

Do you want more support to help you talk to your child about sex and relationships issues at home?

Yes / No / Not sure

Children will be taught digital and real-life safety – this will involve discussions about personal boundaries, private parts, safe touch, trust and acceptable conduct.

How important do you feel this is:

**Not Important                      Some Importance                      Very Important                      Essential**

As part of Relationship education children will learn that families come in different ways. This would include single parent families, alternate carer families, mixed culture families, same-sex families etc.

How important do you feel this is:

**Not Important                      Some Importance                      Very Important                      Essential**

As part of Relationship education children will learn about gender – and in later years social gender stereotypes. Waterfield will reinforce that everyone has the right to be an individual and we should appreciate differences across gender and culture.

How important do you feel this is:

**Not Important                      Some Importance                      Very Important                      Essential**

In Upper Key Stage 2, children will also be taught about healthy life choices with regards alcohol, drugs and smoking.

How important do you feel this is:

**Not Important                      Some Importance                      Very Important                      Essential**
